

GREENFIELD AREA SOCCER CLUB

REFUND POLICY

UPDATED AS OF JANUARY 2019,
THIS POLICY SUPERSEDES ALL OTHER REFUND POLICY REFERENCES OR STATEMENTS PUBLISHED.

GASC has a stringent refund policy because a player's acceptance has the effect of denying another player an opportunity to play on a recreational or competitive team. Additionally, there are administrative costs that the organization incurs with registration and planning for the season (*Administration, staff, association fees, insurance, etc.*) based on player headcount.

A player who is registered in a recreational program with the Club commits to pay the entire fee for the season they are registered. A player who accepts an invitation to play in a competitive program with the Club commits to pay the entire fee for the full soccer year. No refunds, partial or full, will be made to players who choose not to participate at any point after registration for any reason, including players suspended from the program.

Due to the nature of the commitment and limited rosters, refunds will be considered only in the following exceptions:

In the event that a player has an illness or is injured during the season and cannot play or practice for the remainder of the season, the Board may consider providing a partial refund. Families must submit the GASC Refund Request form with a physician note to the program director. This will not constitute releasing of the player's card.

In the event that a family relocates out of the area during the season the Board may consider a partial refund on a case-by-case basis. Families must submit the GASC Refund Request form to the program director. Releasing of the Player's card may be considered on a case-by-case basis.

In the event the Club is unable to provide a team for the player the Board will refund of 100% and will release the player's card

Please note that refundable amounts are time sensitive as costs accrue to the Club for services provided to the team based on player headcount each month. Consequently, the refundable amount will be affected by the date you request the refund, not the date of the event.

If a partial refund is to be considered, the following guideline will be taken into consideration for recreational programs:

- Registration thru 1st week of practice – up to 75% less administrative fee of \$40
- Registration thru 1st game – up to 50% less administrative fee of \$40
- After 1st game – up to 25% less administrative fee of \$40

The following guideline will be taken into consideration for competitive programs:

- Registration thru August 1st – up to 75% less administrative fee of \$200
- Registration Thru November 1st – up to 50% less administrative fee of \$200
- Registration thru February 1st - up to 25% less administrative fee of \$200
